

## PRIVATELY GUIDED CAPE TOURS THE CAPE PENINSULA

### OVERVIEW

Our Safaria Cape Day Experiences have been created to offer our guests a very unique and personalized experience of the South African Cape Peninsular. Our style of day trips, whether in the Kruger National Park or in and around the Mother City (Cape Town), are crafted by passion and experience to offer you more than just a tour. All of our experiences are Privately Guided in a Luxury SUV or Bus and designed by a Cape expert with over 25 years of experience in the field.

What makes our experiences unique lies in the manner in which we structure our day tours. Each tour is planned to incorporate all of the iconic destinations and vistas but we do it in such a way that we avoid the peak periods during day and try to give you more exclusivity at each destination and to personally enjoy.
