OVERVIEW

Our Safaria Cape Day Experiences have been created to offer our guests a very unique and personalized experience of the South African Cape Peninsular. Our style of day trips, whether in the Kruger National Park or in and around the Mother City (Cape Town), are crafted by passion and experience to offer you more than just a tour. All of our experiences are Privately Guided in a Luxury SUV or Bus and designed by a Cape expert with over 25 years of experience in the field.

What makes our experiences unique lies in the manner in which we structure our day tours. TOUR HIGHLIGHTS

This private guided tour takes guests deep into the historical Stellenbosch wine lands along one of the most famous wine routes in the Cape. In Stellenbosch they say that every bottle of wine is an ambassador for the region and South Africa. The Stellenbosch Wine Routes are an experience for all seasons, a place where memories are made in a town with a proud history, stunning views and great estates.

- We drive out on the N2 towards the beautiful scenic wine capital of Stellenbosch
- We start with a visit to the Dorpshuis (town-house) museum to create a historical backdrop and understanding to this town and its establishment.
- We then journey along the wine route to two of our favorite estates that both epitomize the historical essence of the region as well as the beauty and nostalgia of the Stellenbosch region. These two estates being Delair and Boschendal. Time permitting we may visit a third estate.
- After your wine tastings we enjoy a Huguenot fine chocolate tasting near the old Huguenot monument which represents the rich Dutch and French influence in the region.
- We return via the prison where Nelson Mandela was released and have an opportunity to pose next to the Madiba statue.
- After your pic's we begin our journey back home to your accommodation.
